

Jesus & Chocolate

Lets continue to talk to God. As a church we can come together in asking God to help us as We move back into our new building. We are excited to our future and what God will give Us to do, he may ask us to do something that is new and uncomfortable. We need to be Guided by God. Lets pray for the next few weeks of February. Let's be thankful for who God is. We need to focus on praying for our own family and our church family that we Can encourage each other and continue to love each other.

Read Psalm 150:

Wrong write something we should be thankful on each piece of paper. Create a paper chain to show our thankfulness.

You might want to add chains of thankfulness for our new church and what that might mean.

Grab yourself a packet of **jelly beans.**

During the day or over the week as you take a coloured bean check your prayer chart and say a prayer in regards to that subject.

We would love to hear from you over these next two weeks. You might want to answer these questions below. Send your answers to kevin if you want to share with him
